

School District of Cadott Community

Hall of Honor

What does it take to become a member of the Cadott Hall of Honor?

This is a person/team/organization who has made significant accomplishments; either while in school or outside of school, either as a student, player, member of an organization, teacher, coach, booster, etc. that our community and school can be proud of. These positive accomplishments need to be of the type our current students should consider aspiring to. By honoring these individuals and groups we hope to deepen the understanding and appreciation of the contributions made by them, so that they may serve as an inspiration and role models for the student body as well as the community at large.

The Selection Committee reserves the right to rescind membership from a member of the Cadott Hall of Honor for any indiscretion deemed unworthy of continued recognition by the Cadott Hall of Honor.

When is the person(s) recognized?

The Cadott High School principal will make the announcement during the high school graduation ceremony. The person to be recognized is invited to be present to receive the honor and may be asked to address the new graduates, or, if that is not possible, they may have a family member or friend accept the honor for them. If no one can be present the honor will be announced and any certificates, plaques, etc., if possible, will be mailed to the recipient or made available for later pick up.
